# COLOR ME!!!!

**Put the letters in the right order to complete the sentence:**

All living things need \_\_\_\_\_ (**tawer**) to live.

When water evaporates, it travels into the air and becomes part of a \_\_\_\_\_. (**dlocu**)

Less than 1% of all the water on the earth is \_\_\_\_\_ (**sefrh**) water.

We \_\_\_\_\_ (**ikrdn**) water in the liquid form.

Check for leaks and save hundreds of \_\_\_\_\_ (**allogns**) of water a day.

You'll save water by taking a quick \_\_\_\_\_ (**howser**).

Wash bikes and cars with a \_\_\_\_\_ (**kecbut**) and sponge instead of a running hose.

Ask your \_\_\_\_\_ (**mfaiyl**) to look for ways to save water.

Don't keep the water running while you're brushing your \_\_\_\_\_ (**heett**).

Soak dirty \_\_\_\_\_ (**sihdse**) instead of letting the water run.

**COLOR ME 2!!!!**
